ACOUSTIC PANEL SQUARE PROFILE IN BLACKBUTT SATIN

ACOUSTIC PANELS

Prefinished & Prefabricated Natural Timber Lining Boards
for Walls and Ceilings

- + **NATURAL TIMBER:** Boards are made from Paulownia, a sustainable, lightweight hardwood.
- + **PREFINISHED:** Choose from a wide range of matte and satin colours, no sanding or painting.
- + **EASY TO INSTALL:** Prefabricated panel allows for quick and easy installation.

ACOUSTIC PANELS

Glosswood Acoustic Panels assist in absorbing sound within the interior using the beautiful aesthetics of natural timber.

The Acoustics are suitable for residential and commercial applications, on wall and ceiling applications. The timber Acoustic Panels are a quick-fix panel, proving an efficient installation and cost-effective noise solution.

Technical guide and test results are available on our website.
